

## Expressions of Interest

**For riding lessons/camps/clinics with  
Ali Soster (NCAS level 1) & Robbie Soster (NCAS level 1 trainee)**

**Ali Soster** has produced numerous students to the top of their discipline. She has over 30 years coaching and riding experience and today has a large following of riders who continue to impress in the Equestrian Competition world. Ali's forte is correcting the riders position, which in turn enables them to advance in the training of their horse. She herself has produced horses for the show ring to a very high standard and has an amazing ability to recreate this excellence in her students.

**Robbie Soster** is an FEI Dressage and show horse rider. She has represented Australia in Young Rider Dressage Competitions including The Australian Youth Olympic Festival. She has been a member of the Australian National YR Dressage Squad for four years. Robbie has also won numerous show horse competitions and rider classes including 2010 Grand National rider under 21yrs. She has had much success with both her own, and clients horses in both disciplines.

**Robali Razzamatuzz**

**Warrawee Mardee Gras**

If you are looking for a coach to help you to that next level with your riding, then here are two who are happy to work together, to assist you and your horse to achieve your goals.

If you are interested in having lessons, or attending or hosting a clinic please contact
